November & *December* plan

Four parts, in date order. The Chapel Street launch and its two events. Black Friday with the clearance. The gifting season. Boxing Day to close the year. Detail for each part is on pages 2 and 3. Next steps and owners are on page 4.

GOAL ONE
Open Chapel Street with a line outside the door, media in the room and people talking about it.

GOAL TWO
Make Black Friday our biggest sales week of the year, and clear slow stock for cash at the same time.

GOAL THREE
Sell through December at full price on gifting, then close the year quietly with Boxing Day.

Groundwork
Now → Wed 11 Nov

Everything that has to be locked before the doors open.

Fri 20 – Mon 30 Nov (clearance may run on)

Clearance
Fri 20 – Mon 30 Nov · may run into Dec

35% to 40% off selected stock, online and in store. Kept separate from Black Friday. May run into December.

Full price. Gifts, gift boxes and free engraving.

PART 4
Boxing Day
Sat 26 – Sun 27 Dec

Boxing Day

Boxing Day is never posted on our own page.

Sales targets are held separately and stay out of this plan.

PART 1

VIP night Thu 12 Nov · evening

A private evening for about 200: fragrance people, influencers and our best clients.

Guests	About 200
Run of show	Host, Yabi speaks, then the fragrance presentation
Music	DJ or live music
Drinks	Free-flowing champagne, other drinks, small bites
Gift with purchase	Gritti or Casamorati home diffuser or candle, valued at $200, for every guest who buys on the night

Influencer deal in writing before the night: 1 reel and 3 stories, collab tag with @khrishaperfumery, #ad on paid posts, and 30 days for us to reuse their content.

JOBS · YABI, RANK MY BUSINESS, MEDIA TEAM

- [ ] Confirm the host and the second speaker
- [ ] Book the DJ or musicians
- [ ] Book drinks, champagne and catering
- [ ] Send invitations with an RSVP that we approve
- [ ] Agree influencer deliverables in writing
- [ ] Media brief: arrivals, speeches, fragrance table, the gifts
- [ ] Final guest list and run sheet by Fri 6 Nov

About 200 people in roughly 150 sqm needs a capacity check. Two arrival times, 6:00 and 7:30, is one way to handle it.

To decide: How many diffusers and candles to hold · Voucher value for paid creators · Capacity plan for 200 guests

Opening day Sat 14 Nov · from the morning

Doors open to everyone on Saturday morning. The first 100 get a $150 gift, the first 50 also get a $100 voucher.

Free gift	First 100 customers. Valued at $150.
Voucher	First 50 customers. $100 to spend in store.
Minimum spend	$300
Counting	Numbered cards at the door (suggested)
Most it can cost	$5,000 in vouchers plus 100 gifts

Promotion is mostly organic: Instagram and TikTok countdown, VIP night content, email to the whole list, press and window signage. Paid ads for opening are still open.

JOBS · YABI, RANK MY BUSINESS, MEDIA TEAM, STORE TEAM

- [ ] Print numbered cards for the first 100
- [ ] Roster extra staff for the day

Is the $100 voucher for opening day only, or can it be used on a later visit? A later visit brings people back.

PART 2

Black Friday

Fri 20 – Mon 30 Nov (clearance may run on)

Clearance Fri 20 – Mon 30 Nov · may run into Dec

35% to 40% off selected stock, online and in store. Kept separate from Black Friday. May run into December.

Discount	35% to 40%, set per product
Online	Outlet collection on the website
In store	One clearly marked area
Stacking	None. Black Friday excludes these items.
Price display	Original price shown crossed out
Extension	Into December if not enough stock has cleared

Reuse the EOFY setup: original price into compare-at, sale price rounded to the dollar, product into the Outlet collection. Black Friday then excludes that collection.

JOBS · YABI, RANK MY BUSINESS, TO ASSIGN

- [ ] Choose the products and the discount for each
- [ ] Load prices and the Outlet collection by Thu 19 Nov
- [ ] Signage for the in-store area
- [ ] Check Black Friday excludes every clearance item

Keep the in-store clearance to one area so the rest of a brand-new floor still feels full price.

If it runs into December it sits next to full-price gifting. Keep it to the Outlet collection and the one area in store, and stop advertising it.

To decide: Product list and discount per product · Extend into December? Call it by Fri 27 Nov

Black Friday Mon 23 – Mon 30 Nov

20% off storewide, online and in store. Our biggest paid push of the year.

Offer	20% off storewide
Dates	Mon 23 to Mon 30 Nov. Black Friday is Fri 27, Cyber Monday Mon 30.
Excluded	Samples, discovery sets, clearance items. More to come.
Where	Online and in store

Exclusions final by Fri 6 Nov. The ads and the emails depend on which products we can show.

JOBS · RANK MY BUSINESS, YABI

- [ ] Lock the exclusion list
- [ ] Set the Meta budget
- [ ] Brief creative, using opening footage
- [ ] Pick the influencers
- [ ] Build the discount with exclusions; test checkout
- [ ] Schedule the email series

Some distributor agreements may limit discounting on certain brands. Check before the exclusion list is final.

To decide: Final exclusions · Meta budget · Which influencers
